

PALTANK

DEDICATED TO THE WINES/SPIRITS/DRINKS TRADES

WHY CHOOSE US?

Sustainable, quality-focused bulk drinks logistics. By road, by rail, by sea.

Since 2002, PalTank has proudly served the drinks industry. Using our fleet of state of the art, 26000 litre ISO tanks, we send wines and spirits all over the world, ensuring they arrive efficiently, securely, and in perfect condition.

Our other services include in-house customs clearance, movement guarantee, and cased and palletised goods shipping.

COMMITMENT TO QUALITY

At PalTank, quality isn't just about the certificates on the wall. It's about knowing what's important to you, understanding what your success looks like, and delivering on our promises, time and again.

Through a combination of forming long term partnerships with our customers, and our extensive drinks industry experience, we make sure we deliver tailored, exceptional customer service, every time.

In addition, PalTank is proud to hold the below certifications, which are the foundations upon which we build our quality-led, customer first approach to drinks logistics.

ISO TANKS

26,000 litre, insulated, food grade tanks, suitable for road, rail and sea transportation.

3 COMPARTMENT TANKS

Flexible option for shipping multiple products in one tank.

CUSTOMS

Our in-house team offers customs clearance and valuable excise knowledge.

DRY GOODS

From bottles, to labels and closures, PalFreight has the shipping solution for you.

CUSTOMER SUPPORT

Our multi-lingual team handles your shipments with the utmost care.

MOVEMENT GUARANTEE

Helping you to move goods under excise duty suspension within the UK.

CASED AND PALLETISED GOODS

We offer 20ft/40ft and 45ft FCL shipments.

SPECIALIST TEAM

Qualified industry experts, available to you.
